## Master of Accounting Study Program Business and Economics Faculty, Universitas Trisakti

Master of Accounting (MAKSI) was established based on the Decree of the Director General of Higher Education, Ministry of National Education of the Republic of Indonesia Number: 2609/D/T/2001, dated August 6, 2001. Currently MAKSI has been accredited with **Very Good** by the National Accreditation Board for Higher Education (BAN-PT) of the Ministry Indonesian Education and Culture. In addition, since 2019, ISO 9001:2015 has been certified, which ensures that the management of the study program has referred to best practice and international standard governance standards.

Currently, MAKSI is in the process of gaining international recognition, through the international accreditation process from the Foundation for International Business Administration Accreditation (FIBAA). International recognition is important and strategic step, in order to fulfill the vision, mission, goals and objectives of the study program. Various national and international collaborations have been successfully carried out. Cooperation at the national level, including with the Indonesian Institute of Accountants, the Indonesian Institute of Certified Public Accountants, the Indonesian Institute of Management Accountants, Forensic LSP, the DKI Jakarta Provincial Government, various Public Accounting Firms, various consulting offices, companies, and universities.

At the international level, MAKSI has had a partnership with the Institute of Management Accountant, USA, and entered as a study program that received the privilege of CMA scholarships for students, other collaborations with the Asia Pacific Management Accounting Association (APMAA), CMA Australia, Asean Accounting Educator Workgroup and honorary members association of European Masters of Business. All of this, we do to improve the quality of MAKSI Trisakti University, not only in the field of Tridarma but also in management. We have a Quality motto 'BEST' (Be Professional, Excellence, Sustainable, and Trust). Our tagline is 'D'ProEGC', which will lead you to become someone who has competence as a decision maker, is able to act professionally, has an entrepreneurial spirit and is globally competitive.

Our study program has specialization on technology and sustainability. Currently we are supported by lecturers with doctoral degrees from academics, and practitioners, they will work together to teach one course. There are various concentrations that can be chosen according to the students' need or interest.

MASTER of ACCOUNTING UNIVERSITAS TRISAKTI is the right choice for your professional career advancement.
