AND OPPORTUNITIES OF MODERN
SCIENCE»**

**11-12, May 2023
Ukraine, Rivne**

Dear colleagues!

We are inviting you to participate in
**International Research and Practice Conference of Young Scholars,
Postgraduates and Bachelor Students «Challenges and Opportunities of Modern
Science», that will take place on 11-12, May 2023**
at the National University of Water and Environmental Engineering.
The beginning of the plenary session at 10:00.

Participants from Ukraine and abroad are welcomed.

Thematic sections of the conference:

Section 1. Technical and Mathematical Sciences.

Section 2. Economics.

Section 3. Social , Pedagogic and Law Sciences.

Section 4. Natural Sciences.

Languages of the conference: Ukrainian, English, Polish.

TERMS AND CONDITIONS:

The last date to submit your materials is **7, May 2023**.

To complete the application form, follow the link

<https://forms.gle/PsbV2WE4zofK9zxQA>

The materials are considered accepted if the applicant has received an e-mail confirmation from the academic committee.

The participation is free of charge.

The conference is planned in advance in an online format. Those who wish to speak will have the opportunity through the communicator Hangouts Meet.

ACADEMIC REQUIREMENTS:

- the article is sent electronically in .doc format, Microsoft Word 2003;
- the article should contain 1-3 pages A5 size;
- the title should be centred on the page in bold capital letters;
- the type style is 12pt, Times New Roman, line spacing – 1, margins: right, left, top – 20 mm, bottom – 22 mm, footer – 1,5;
- first line indent – 1 cm.; no page numbering; no hyphenation;
- each visual, chart, scheme or table should be entitled;
- all equations should be typed via Microsoft Equation and numbered in brackets;
- References should contain only the sources that are used for a citation; e.g. [1, p. 45]. The type style for References is 11pt, Times New Roman, line spacing – 1. Citation should be given in brackets using semi-colon ([1; 2]).

The text of your scientific research should be proofread and edited by the author as well as the scientific supervisor (for postgraduates and students co-authorship with the scientific supervisor is a must).

Academic committee has the right to edit, cut the text or reject the materials that do not contain new scientific information as well as those that do not meet the requirements.

The author carries responsibility for the content and its innovative character.
